### **Our Mission....**

**Get Covered America** is a project of Enroll America, and is non-partisan, 501(c)(3) organization dedicated to maximizing the number of uninsured Americans who enroll in health coverage made available by the Affordable Care Act. Get Covered America will work at the national, state, and local levels to make this happen.

### **The Fellowship...**

Fall Fellows for Get Covered America will work closely with staff in Florida offices and will be an integral part of our success as an organization. The core of our work will take place in several target cities organizing communities and going door to door to get uninsured Americans up to speed on the opportunities made possible by the Affordable Care Act.

Fellow responsibilities will vary, but may include: canvassing neighborhoods, recruiting and training local volunteers, writing and editing materials for partner group or volunteer distribution, supporting state staff, compiling coverage of GCA, and general administrative tasks.

This is an unpaid position. The ideal candidate will be eager to learn, self-motivated, flexible, and dedicated to the mission of the organization.
